Tom Weiskopf,  
Yellowstone Club's  
Golf Course Designer

At an average elevation of 7,500 feet, the stunning vistas from Yellowstone Club's Tom Weiskopf-designed championship golf course may cost players a few strokes from sheer distraction. Tom, former British Open and Senior Open Champion, has a singular passion for high-altitude terrain, which has earned him the reputation with players and the media as perhaps the premier designer in mountain golf.
